You can contact us through our website if you have questions regarding our services or to get a quote. Information you submit on our website allows us to contact you with the requested information you have provided. We do not share this information with outside parties.

We use non-identifying and aggregate information to better design our website and share with advertisers. For example, we may tell an advertiser that X number of individuals visited a certain area of our website, or that Y number of men and Z number of women filled out a quote form, but we would not disclose anything that could be used to identify those individuals.

Finally, we never share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses.

Our Commitment to Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online.

Our Commitment to Children's Privacy

Protecting the privacy of the very young is especially important. For that reason, we never collect or maintain information at our website from those we actually know are under 13 years of age, and no part of our website is structured to attract anyone under 13.

How You Can Access Or Correct Your Information

You can access all your personally identifiable information that we collect online and maintain by personally contact our company's representative directly. He/She will ask you some security question that will ensure your identity. We use this procedure to better safeguard your information.

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows the error.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections.

How To Contact Us

Should you have other questions or concerns about these privacy policies, please call us at 951-600-8102 or send us an email at info@energyeventpros.com.
