

“SAND” CEREMONY

(Usually placed after the ring exchange)

(This can also be used as a family ceremony. Each child can have their own color of sand)

(GROOM) and (BRIDE) you have just sealed your relationship by the giving and receiving of rings and this is a pledge between two people who agree that they will commit themselves to one another throughout their lives.

Today, this relationship is also symbolized through the pouring of these two individual containers of sand. One, representing you, (GROOM) and the one representing you, (BRIDE) and all that you were, all that you are, and all that you will ever be.

As these two containers of sand are poured into the third container, the individual containers of sand will no longer exist, but will be joined together as one.

Just as these grains of sand can never be separated, our prayer for you today is that your lives together would be blended like the seven seas and may your love swirl around each other like the changing tides.
