

## Energy Events is...

.....a small independently owned, family operated Wedding and Event service provider.

We believe being personal, kind, and honest is the glue to a good business. We provide high quality work at reasonable prices.

When you call our office, you won't get a sales pitch; you'll get to talk to our Photographer, DJ, Videographer, or even our owner & founder TK Brown. When you call you will be able to talk to the people who know the ins and outs of their job field and can answer any questions and become personal to your needs and wants for your wedding or event.

Our Staff would love to get to know you and *Energize* your wedding or event!

“Working with T.K. was a wonderful experience! Everything from the website, the equipment used, to working with him in person was high quality and smooth! He really made our wedding feel personal with his M.C. and D.J. skills! We would recommend him to a friend!” [★★★★★] **Ian May 5, 2013**

“T.K did a Christian ceremony and a hand blessing, it lasted about 30mins.He made it very personal and included the guest in the ceremony as well. He even chuckled with me giggling through the vows, because I didn't want to cry! It was such an awesome experience! Thank you T.K for making our day so special!!” [★★★★★] **Alicia Apr. 23, 2013**

“We were looking for a simple and joyful wedding ceremony and we got it. TK Brown did a great job and it was a pleasure to work with him. We highly recommend Energy Events.” [★★★★★] **Meret Sept. 12, 2012**

“Weddings days are supposed to be one of the most memorable events of our lives, thanks to TK Brown and the Energy Events staff our wedding day turned out to be one of the best memories to date. Even while I was stressing and losing any form of control TK was there cheering me on, comforting me and I made it to my groom ready to be married. Things that night would have not gone as smooth without the services Energy Events provided. Thank you :D” [★★★★★] **Jannet Apr. 22, 2011**
